IMPORTANT NOTICE.

We are selling wholesale to the retail trade. “There’s a Reason.” We have found a new method of growing out-doors that increases yield without cultivation. Full information to customers, who order $10.00 worth of Gladioli or Irises. One customer writes that the method is worth the money without the bulbs. Invaluable in short seasons.

N. B. We grow also PHIPPS, CARBONE, BENNETT, FORD, KYLE, M. KUNDERD, P. GLORY, DOUGLAS, PETERS, A. BEAUTY, R. DIENER, C. COLEMAN, Etc. We will not sell these until we can sell wholesale to the retail trade. IRISES for sale on same plan.
